TERRACED HOUSE IN TOP CONDITION

CH-4132 Muttenz | Sevogelstrasse 45 | **CHF 1,545,000.-**

This very well-maintained 5.5-room terraced single-family house is located in a quiet residential area in a sunny location.

The beautiful village center of Muttenz, public transport, schools and shopping facilities are all within a few minutes' walk.

In the entrance area with cloakroom, there is a guest WC on the left. Immediately to the right of the entrance is the spacious and bright kitchen. The "highlight" is the beautiful living and dining area directly adjacent to the entrance area, which is flooded with light thanks to the large windows. From here, you can also access the covered seating area with sun blinds and the beautiful garden, where you can perfectly unwind from the hustle and bustle of everyday life.

On the upper floor, there is the retreat of your family with three bright bedrooms. There is also a bathroom with a bathtub, shower and WC on this floor.

Another "highlight" in this very beautiful house is the hobby room, which has been fully converted into a living space and has two skylights, a shower and a WC, and can be optimally used for teenagers.

In the basement, there is the heated former hairdressing salon, which can also be used as an office, guest room or fitness room, a WC/shower and a cellar. The heating/laundry room with a washing machine/tumble dryer, as well as the spacious craft room with a staircase leading directly into the garden, are also located in the basement.

A car parking space in front of the house, an underground parking space with the possibility of connecting an electric car and a communal car wash area as well as visitor parking spaces complete this superb offer.
