The apartment building (7 apartments, built in 2004) is located at Schauenburgerstrasse 57, in a quiet yet central neighborhood on the edge of the Liestal building zone. Schools and shopping facilities are also within walking distance, by bike or by bus. The apartment is wheelchair accessible and can also be reached from the underground car park by lift.

From the entrance area you can directly access the spacious living/dining area with an open kitchen, which is equipped with numerous cupboards, a large marble countertop, a fridge with separate freezer compartment, an oven, a dishwasher and a ceramic hob.

There is a chimney connection in the living room, which allows a fireplace to be installed.
